Happy Earth Day:

Good Morning All:

I very much appreciate you completing the check in. It is sometimes the only way that I know your are receiving and able to work on chemsity.

Please complete the following quiz first try: <https://forms.office.com/Pages/ResponsePage.aspx?id =GAm pRLReCU2WCd35yhGvQsuodiaVPQJHoMguHaAhWSBUQTBjRDNaWTZWWWIKQVNIV UxGTjY3WjZOUiQIQCN0PWcu>

Please complete the "REPEATER" if you want to, unlimited tries: <https://forms.office.com/Pages/R esponsePage.aspx?id=GAm pRLReCU2WCd35yhGvQsuodiaVPQJHoMguHaAhWSBURE80Vfp HOEFQMUFRSFpFM0ZRVDIOVktCUCQIQCN0PWcu>

When you are finished, the next step is to be able to complete a question #3 on the practice tests. (Question #5 on the first practice test). I have uploaded a video that you should watch on this. Please find it on the website. You will be asked to write out answers and send them to me one way or another. That pdf scanner thing is by far the best method, since I can easily return with comments. I have an android phone and was able to get "Simple Scan" to work. It is free. The "auto" option gave a fairly good scan. It saved to a folder called "Simple Scan" but also had a share option. You could give this a try. Otherwise, a picture will have to do.

Stay Safe!
